Fogel A. Welcome. Journal of Global Health Perspectives. 2012 Apr 17 [last modified: 2012 Apr 17]. Edition 1.

Abstract

Ideas. Innovation. Access. The Journal of Global Health Perspectives is designed to accelerate the publication of global health research. We also publish articles that relate meaningful experiences, observations and reflections from the global health community. Unlike other open-access journals, we do not charge authors or readers any fees whatsoever.

We're seeking the following types of articles for our first edition

1. Original research articles.
2. Original clinical investigations.
3. Review articles.
4. Case reports.
5. Meta-analysis articles.
6. Editorials that deal with current topics in healthcare or global health and/or produce recommendations for future study or action.
7. Journal articles detailing experiences, observations, or reflections on global health issues.
8. Photo journal articles detailing experiences, observations, or reflections on global health issues.
